**Making Disciples - Every Nation and Every Generation**

Dear Family and Friends

I pray that you are well and have survived the crazy weather we have all had this past month! From Ice storms in America, even freezing temperatures in Florida, to cold and nonstop rainy weather here across Europe. I think we can all say – bring on Summer!

I know the weather has not been great, but God has not stopped moving. As I mentioned in my last letter, January is normally a time of prayer and fasting across our Every Nation Churches around the world and as we have poured out our hearts in prayer and consecration, we are so excited about what God is going to do in 2026.

During our week of prayer and fasting here in London I joined some of our students on their campuses to do walk around and pray for their university, their classmates and faculty. Here are a few pics of those of us who gathered to pray at the University of Arts London and Kings University.

To end the week, we gathered as a church to worship and pray for our city, community and campuses as well as the nations of Europe. I had the privilege of praying for Spain in English and in Spanish.

This week I am preparing to preach at our South congregation on Disciples Proclaim. We are doing a series through the book of Acts, and I get to share on how the disciples healed a lame beggar which led to them being able to proclaim the Gospel to a large crowd and to all of the religious leaders. 5000 came to Christ because of them reaching out to one person! Sharing who Jesus is was not for then but also for now – can you imagine what could happen if we all asked the Holy Spirit for opportunities to share the Gospel and then actually stepped out to do it when He gives it to us?! Please pray for me as I share this message on Sunday.

Could I please ask you to also pray for me on what is coming up this year for me so far?

Feb 27 – 2 March – ENC Conference in Madrid  
March 11 - 14 – Scout to Bologna, Italy  
March 16 – April 5 – Annual Support Raising in Florida, USA  
April 5 – 16 – Annual Support Raising in Georgia, USA  
May 13 – 16 – Ministry in Glasgow, Scotland  
June 22 – 26 – ENC Leaders Camp in Marseille, France  
October 24 – 31 – Mission to Malta

I know that's a lot to pray for, but I really appreciate and value you covering me in prayer!

Please let me know how I can be praying for you.

Lots of love

Traci
