**Making Disciples - Every Nation and Every Generation**

Dear Family and Friends

I have just returned from a week's mission with our church plant in Utrecht, Netherlands. 12 of us from London, Oslo, Dublin and Belfast, joined some of our Utrecht team on the main university campus using 3 different evangelistic tools to see which worked best with engaging students. We approached students using The God Test, Jesus at the Door, and a Mental Health Survey. By the end of the week, we had engaged with 258 students and were able to have 164 conversations that resulted in 13 salvations!

Thank you so much for praying for us. The Utrecht team on the ground was so encouraged by us coming to serve and help them start reaching the university campus. We are praying that with the contacts that were made, they will be able to start a student ministry and reach more students. They've already told us that with follow-up, they have 4 students interested in doing the Alpha Course with them.

Here are a few pictures from the trip that include me engaging with a few students, a group picture of our team with the core team from Utrecht and me with some of our team members.

On 4 November I will be heading to Cyprus for 6 weeks to be the interim pastor for our church plant there. I would really appreciate your prayers for wisdom on how to lead this group of people. I am trusting and expectant for growth in all areas of the ministry. Please also continue to pray for my health during my time there.

You are amazing and such a blessing!! Thank you again for all that you do! You are reaching the nations with me!

Loads of Love

Traci
