**Making Disciples - Every Nation and Every Generation**

Dear Family and Friends

I'm writing this letter at the airport on my way to minister for a week with our church plant in Cyprus. I'm so blessed by what God has done this past month and I'm looking forward to seeing what He will do in Cyprus.

When I returned from America, I jumped back into work here in Slough, meeting up with some of the teens that I mentor, following up on our Connect Groups and I taught one of our lessons at our Follow Three Course. I love that in this small class we are representing 6 nations!

I then headed off to our European Student Leaders Camp in Marseille, France to teach on how to do One 2 One Discipleship. It was so good to be together again with these leaders representing 10 countries across Europe. It was a powerful week of impartation and ministry to equip each of them to be more effective on their university campuses.

I would really value your prayers over the next few weeks as I minister in Cyprus. I will be speaking to their staff, youth, small groups, preaching on Sunday, teaching on Discipleship, teaching them how to use evangelism tools on their universities and building relationships with their church members.

Please also continue to pray for my finances and for more people to partner with me.

You are such a blessing!! Thank you again for all that you do!

Loads of Love

Traci
